Terms & Conditions:

1. The Budget oil price is estimated at **\$4.25** per gallon, but not guaranteed at that price.
2. If your budget account is not enough to cover your deliveries, whether caused by increased fuel usage (i.e., more people in the home, construction, or anything that may alter your fuel consumption) or unforeseen price increase in the heating oil market, your monthly payment will be adjusted accordingly. **If your budget is not keeping up due to unforeseen price increases or you missed a budget payment and you don't have enough to cover current delivery you may need to pay before next oil delivery.**
3. Any non-payment of two months or more or returned check of the monthly budget due will void this contract at the discretion of Affordable Fuels.
4. We require that all storage tanks be equipped with overfill protection such as a vent alarm (whistle) and be safe to fill. Fill pipes and vent pipes must be black iron and may NOT be PVC or copper (Please Check your Tank annually)
5. The budget payment plan is not self-renewing; you must enroll every year.
6. At the end of the heating season April 30, 2024, any credit balances will be taken into consideration for computation of your new payment for the next heating season.
7. We require that your tank be at least half full at the start of the new budget season.

REMEMBER: The Affordable Family offers Propane, HVAC, New Installs of all fuel types, Landscaping, Snow Removal and much more! Call today for your free estimate!
