CAP Enrollment starts September 5, 2023 and closes October 31, 2023

Gallons Reserved _____ X .32 Assurance Fee = _____
(For Gallons used last year please contact our office at 570-837-5900)

The CAP Program runs from **October 1, 2023 through April 30, 2024**. There is a \$0.32 per gallon reserved fee to enter the Cap program. If you use more Gallons than you reserve the price reverts back to current price when gallons are depleted, if you use less then you reserve by April 30, 2024 your price will revert back to current price and those gallons at the Cap price will no longer be available. If you need assistant with the gallons you used last year please contact our office at 570-837-5900

Terms & Conditions:

1. I agree to pay the \$0.32 per gallon reserved as an assurance fee to guarantee the price will not go over \$3.85, but can go lower if the current price is lower.
2. The Assurance fee must be paid at the time you sign up and completed form **MUST** be signed and returned before we can deliver your CAP gallons.
3. Your account must be current with us to be on the CAP program.
4. LIHEAP Funds may **NOT** be used with the CAP program. You may purchase CAP gallons to be used after your LIHEAP money has been depleted.
5. **Only 150 gallons of cap fuel can be used in the month of October. (NO fill-ups)**
6. Cap Gallons revert back to current price when your estimated gallons are depleted or **at the end of the CAP Program April 30, 2024.**
